

NOBODY TOLD YOU

Saying **I can't** makes “no” harder.

Same refusal. Two words. They land very differently.

× I CAN'T

~~“I can’t scroll at night.”~~

→ a rule you argue with

✓ I DON'T

“I don’t take my phone
to bed.”

→ a decision about you

Turn three **can'ts** into don'ts

Tick the ones you say. Rewrite them tonight.

☐ I can't skip the gym → **I don't** skip leg day

A rule becomes who you are.

☐ I can't spend this month → **I don't** buy on impulse

The pause is already decided.

☐ I can't stay up late → **I don't** answer emails in bed

No debate at bedtime.

☐ Your one: I don't _____

Write it in the comments.
