

Nobody is coming to **save** you.

Not a perfect Monday. Not a sign. Not someone's permission.

Waiting for a perfect Monday

It never shows up looking perfect.

Waiting for a sign

The sign is you deciding.

Waiting for someone's permission

You already have it.

Waiting to feel ready

Ready comes after, not before.

HOW IT WORKS

Every decision is a **door**.

Where you end up tomorrow is the step you take today.

× UNDECIDED

~~“I'll think about it.”~~

→ the delay decides for you

✓ DECIDED

“I'm applying this Friday.”

→ you walk through
