MONDAY RESET

No date? It's a *wish*.

Launch the business. Get fit. Save more. None of them have a day attached.

× A WISH

WHY SOMEDAY NEVER COMES

Someday isn't on the *calendar*.

Without a date, there's no today. And today is the only day you can act.

Big goal, no date — FLOATS

THE MOVE

How to give it a *date*

Ten minutes with your goal and a calendar.

- [ ] Write the goal in one line

  "Launch the shop."

- [ ] Choose a real date

  A month and a day. Not "next year".

- [ ] Write it right next to the goal

  "Launch the shop by 15 December."

- [ ] Count back one step

YOUR TURN

What's your goal, and your *date*?

Put it in the comments. I'll ask you on Sunday.

- **A** I picked a date today.
- **B** I have a date but no step.
- **C** Still "someday".
- **D** Picking one this week.
